

Guido Bisagni (108)

108 hat bereits vor 15 Jahren seine Werke der Öffentlichkeit als StreetArt präsentiert, jedoch seinen ganz eigenen Stil weiterentwickelt, ungeachtet des Hypes, welcher um die neue Kunstströmung entstand. Inspiriert von Künstlern wie Wassily Kandinsky oder Jean Arp konstruiert 108 seine Bilder, die er an unauffälligen Orten auf der Strasse und auf Leinwand und Papier für die Galerie erstellt.
